

**POLICE PUBLIC SCHOOL**  
**8<sup>TH</sup> BN, KSRP CAMPUS, MACHENAHALLI, SHIVAMOGGA**

***TOGETHER WE CAN; WE WILL***

*“Together we can change the world, just one random act of kindness at a time.”*

*We started the year 2023-24 with great zeal and framed our academic and co-curricular activities. We witnessed many ups and down and tried to overcome our best.*

*“Let today be the start of something new”*

This year has been a very eventful one for us. We have made great efforts to transform ourselves completely into the CBSE's updated scholastic format and have been extremely successful in most of our endeavours. Apart from preparing the children to qualify for purely academic demands, special efforts are being made continuously to enable them to face the challenges of the competitive world. It's a matter of great importance to us that the students who pass out from our portals should carry forward the values they have inherited, excel in whatever they do and be role models in the society.

In PPS we believe that every individual has a lot of potential, and that potential can help accomplish wonders. That is why; it is fair to say that we thus believe that the future of the world starts here. The session of 2023-24 was a great year, and we consider it a moment of pride to showcase to you all the achievements and development that the school, staff and students undertook.

*“Reach high, for stars lie hidden in your soul.*

*Dream deep, for every dream leads the goal.”*

There have been many changes at the School this year in terms of high expectations, communication, behavioural management, professional development, technology, and above all, academics.

Teachers worked together in various training sessions to align their curriculum and understand CBSE's updated scholastic pattern. This vertical alignment will assure that students are learning all that they should be as they progress through our academic program. We cater to students from all sections of society and we recognize this as a challenge and have actively worked to develop systems and processes to deal with this issue by taking extra and remedial classes.

Vision determines directions of effort and prioritizing deployment of resources at our disposal, and our vision is to make our school one of the best schools of our country by providing 360 degree education to our students through best in class academic facilities and churn out citizens who are inspiring leaders with a humane touch.

## **STUDENT'S PARLIAMENT**

A Student Council is representative structure for students only, through which they can get involved in the affairs of the school, working in partnership with School Management, Staff for the benefit of the School.

*"It's all about WE, not just YOU and ME".*

The Investiture Ceremony was on \_\_\_\_\_, the day when the newly elected leaders were given all their responsibilities. An oath of dignity and honour was taken by the newly elected Prefects of the school. We were happy to have Mr Manu Kumar H M KMAS Municipal administrative service Bhadravathi

**Leaders are made always so our institution help our students to build leadership quality for the better country.**

*"Alone we can do so little, together we can do so much."*

The students of the school are divided into four different HOUSES. And that maximum number of students participated in Inter House Activities. Day to day activities, competitions are conducted in systematic and disciplined manners. Inter house activities are being conducted on Saturdays – English and Hindi Declamation, Creative Handwriting, Quiz competition, English and Hindi Debate, Art & Craft, etc.

## **CO – CURRICULAR ACTIVITIES**

*"Today a reader, tomorrow a leader."*

By providing a conducive and encouraging environment, the students are mentored to participate in a variety of intra and interschool activities/competitions. It enables the student to grow in confidence, knowledge & enhance their all-round development. Aside from individual activities, group activities were also conducted.

We are happy to share with you that our school took part in Karate international open championship we won the trophy and bagged many medals this added a colourful feather on the crown of PPS Shimoga. Taking part in prathibha karanji also earned many prizes.

*"When we are active, we become stronger and more energetic. This, in turn, makes us more positive and self-confident. It's a powerful cycle."*

The Academic Session 2023-24 was fun and frolic for the blooming buds of pre – primary and primary. They enjoyed different activities like Dancing, Singing, Story Telling, Fancy Dress, etc. All national days blended with high notes of orchestra which instilled a sense of patriotism.

The school strives to build humanity where faith is integrated with daily life. We have committed proactive teachers and dedicated support staff working to deal with these tiny toddlers.

## **EVENTS & CELEBRATIONS**

*"Every day is a good day. There is something to learn, care and celebrate."*

With gaining knowledge and conducting contests, many events are celebrated. These events are not only educational but also fun, and a lot more concepts were introduced. And we had a mind blowing science exhibition in our school campus which was witnessed by the scientist from ISRO Mr Sudeep. He was taken up and he was speechless to see all science experiments. Creating planetarium added

beauty to our science exhibition. Our students prepared a rocket under the guidance of the teachers to give as a token of love to our scientist.

We created awareness among people during deepavali by displaying a street play. Which was well appreciated by everyone

Along with these, various events are celebrated with a lot of vigour and fun. Some of them are:

1. Krishna janmastami
2. Teacher's Day
3. Sports day
4. Dandiya
5. Children's Day
1. Independence Day
2. Diwali
3. Gandhi Jayanti
4. Kannada rajyotsava

#### **Teachers Empowerment Programs:**

*"Teachers are also learners."* Staying updated is the key to success in any field, especially, in education. Our teachers constantly strive to stay updated by attending workshops & various training Programs.

**Every month we have parent teachers meeting to discuss about the progress of the child and to find ways to help a child in many ways.**

#### **School Improvement Programs**

*"You make the world a better place by making daily improvements to become the best version."*

Constant improvement is the key to success. In this endeavour, we have introduced a few infrastructural and other developments:

#### **Mathematics Laboratory**

*"Mathematics is a place where you can do things which you can't do in the real world."*

We have developed the Mathematics Lab to boost the enrichment activities in Mathematics. The mathematics laboratory is a place where anybody can experiment and explore patterns and ideas. It is a place where one can find a collection of games, puzzles, and other teaching and learning material.

#### **Science lab**

*"Learning a Language is to understand others; to form connections."*

*A science lab is a workplace for the conduct of scientific research. It helps students to remember the concepts better and to transfer the experience to real-life situations. It is a facility that provides controlled conditions in which scientific research experiments may be performed.*

*"Every successful individual knows that his or her achievement depends on a community of persons working together."*

To conclude, this year, we all took more collective step towards our vision, and while one step was taken, many more are to go, and it is certainly achievable. Many changes have occurred, and as we all know, change often brings growing pains. The bottom line is that we have all grown through the process, and we will continue to

move forward to make this School all that it can be!. It is rightly said *“The secret of all great undertakings is hard work and self-reliance.”*
